**Subject:** Access to Program's Live Webcast

Good Evening:

As faculty members, you can attend the whole **Environmental Regulation in Practice 2022** program in person to earn attendance credit. If however, you are not able to stay and watch other panels after you are done presenting, I have gone ahead and registered you to watch the live webcast of the program. Once the program concludes, the entire recording of the program will be archived and available for viewing in about one week's time. Please see below for instructions on how to log into the webcast.

**Please log in to your PLI account using your email to access the Live Webcast:**

- Go to [www.pli.edu](http://www.pli.edu) and click "Sign In" in the upper right corner.
- If you have forgotten your password, [reset it here](#). Enter the email address associated with your account and click "SUBMIT" to receive a temporary password by email. Follow the link provided in the email. Log in with your business email and temporary password. Create a new password and click "Submit" to log in.
- Your Webcast(s) will be located in "My Programs." "My Programs" is located in the drop down menu where your initials are in the upper right corner.
- Find the Webcast you would like to view and click on "Launch Program." Follow the prompts to continue on to the Webcast.

Please note: You may access and download the course materials several days prior to the Live Webcast from "My Programs."

**COURSE MATERIALS:** Course materials are available electronically several days prior to the program at [www.pli.edu/account/programs](http://www.pli.edu/account/programs) (sign-in required).

**TECHNICAL RECOMMENDATIONS:** PLI also recommends using Chrome or Firefox browsers (if possible). If you experience any technical issues with the Webcast, please reach out to Customer Service by calling 877.675.6390 or email at [online@pli.edu](mailto:online@pli.edu).

**SEEKING CREDIT?** PLI programs offer CLE credit in all U.S. jurisdictions that have mandatory CLE requirements and some foreign jurisdictions with CPD requirements. PLI programs also offer CPD, CPE, and other credits. Please check this

Webcasts's webpage for credit details, eligibility and approval status for your particular jurisdiction(s).

Regulators require proof of attendance. You must click the pop-up time stamp every time it appears to verify your attendance for credit. To receive your certificate of attendance, please be sure your license information for all jurisdictions in which you seek credit is up to date by logging in.

If we can assist you further, please contact us at 800.260.4754 or email us at [info@pli.edu](mailto:info@pli.edu), and one of our Customer Service Representatives will be happy to answer any of your questions.

Lisa
